

## Treatment Rates

### Individual Therapy Sessions

Payment is due at time of service. The cost per visit will depend on your insurance health plan for clinical psychologist treatment. Your cost/co-pay can vary between \$55.00 to 133.00 per visit.

### Couples Therapy Sessions

Sessions are 50 minutes in duration and the cost/co-pay per visit will vary between \$135.00 – 228.00 dependent upon the insurance health plan.

### Telehealth Sessions

Virtual or Telephone sessions are treated the same with respect to payments and policies within the office setting.

### Psycho-diagnostic Assessments & Report Writing

The fee structure will be discussed during the initial contract.

**Professional/Student Supervision** fee structure will be discussed during the initial contact.

### Payment Options

Payment is due on the day of treatment. Clinical Psychology services are typically covered by Major Health Insurance Plans. You may elect to pay full portion out of pocket. Your co-pay is dependent upon your health benefit package. Please contact the office if you are unsure about your health plan benefit. Major credit/debit cards or cash are acceptable forms of payment.

I have read and understand the above terms of payment. I agree to pay at time of service:

- via insurance plan
- via self-pay in full
